HOME AWAY FROM HOME TO THE WORLD'S GREATEST BEEF BULLS				

We would like to thank you very much for coming. It is our privilege to work for a terrific group of breeders who have entrusted us with their bulls and their business for more than twenty years.

As you visit us we ask that you please begin by signing into our guest log and disinfecting your boots in the boot wash. After that, please cover your shoes/boots with a pair of plastic boot covers and you'll be ready. Please visit any sires you would like to see down in the Wheel first, proceeding from there to the Main Alley, and finally to the West Pens. We hope you understand that any travel in the reverse order is prohibited without fresh boot covers. Thank you for seeing this slight inconvenience as necessary to help us protect our customers' livelihood, as well as the life they hope to pass on to their children.
